

Dialogo: Tema relembrando as memórias, revistas

Contraposição de geração, ilustra, falar que o tema era ajuda

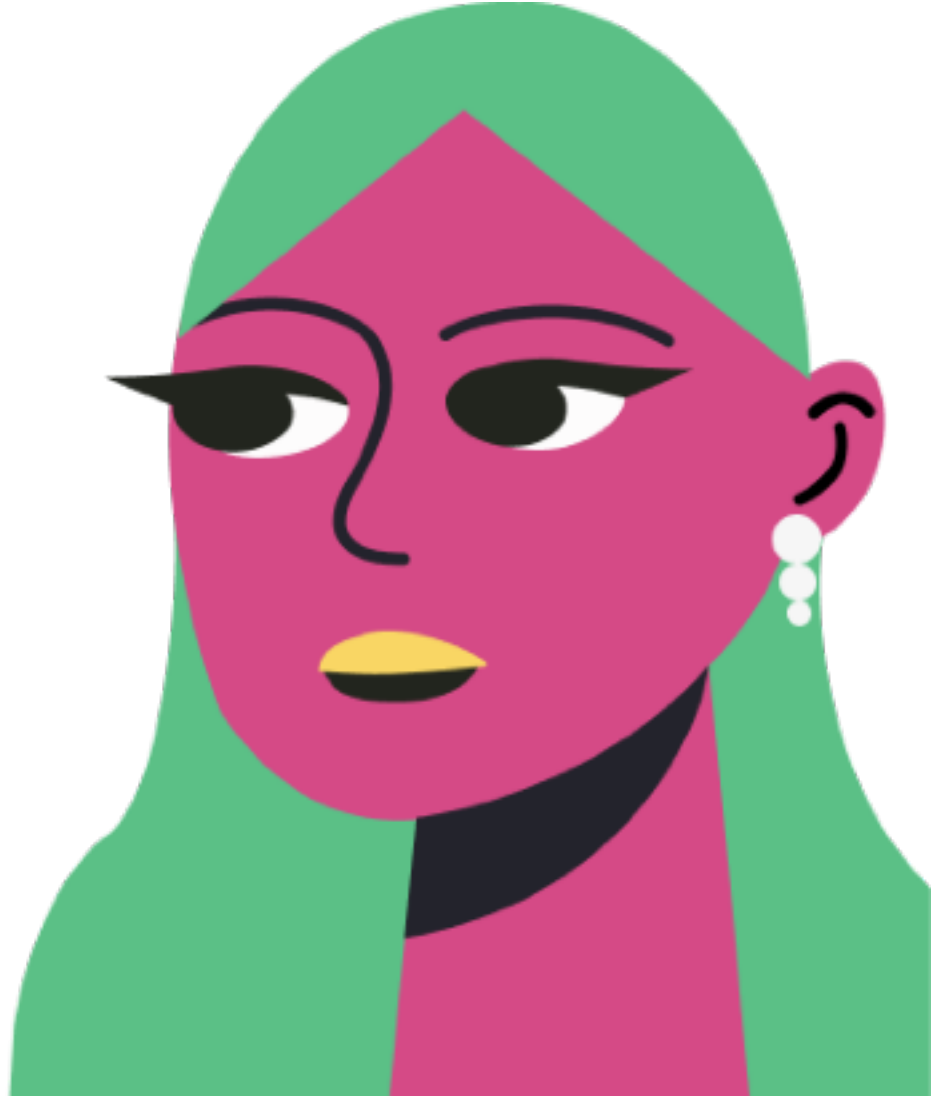

**Help  
Assis  
tance**

A group with similar  
experiences, but different  
backgrounds

# Help Assis tance

A group with similar  
experiences, but different  
backgrounds

We listened to girls aged 12-16 with  
different backgrounds. Their  
struggles were all related

They don't find a  
safe space to share  
and learn about  
women's  
experiences
