

Four designer girls learning how to program;

- Team management;
- Consistent coding;

Standardize different styles of design;

Time optimization;

Try new ways to use an application;

Tasks organization.

Difficulties

# Strength

- ✦ A group of five women talking about things that they've gone through;
- ✦ All motivated to do and learn new things;
- ✦ A super organization;
- ✦ More than friends, migas.
